

DelDOT - Development Coordination EMAIL-BLAST

Subject:

Shared-Use Path & Sidewalk Fee & Plan Review Checklists

Effective Date:

June 18, 2020

Notice

As stated in our previous email blast on June 8, 2020, more changes would be occurring within Development Coordination over the next couple of weeks. Below are the two latest updates, but more are to come, so stay tuned for the next wave, as we continually strive to make improvements across the board to our documents and process in the interest of customer service.

1. [Shared-Use Path & Sidewalk Fee](#)

Sidewalk (Concrete) Estimate unit cost has updated to \$7 per sq/ft and the GABC has been removed, as it is now included in the price of the sidewalk.

2. [Plan Review Checklists](#)

We have eliminated the previous Record Plan excel spreadsheet and converted it over to 2 smaller, more specialized fillable PDF's: Subdivision Record Plan and the Commercial Record Plan. We have also updated the Record Plan – RED and Site Plan Checklists too.

All documents have been updated and can be found on our [Development Coordination](#) website.

If you have any questions, please feel free to contact the Development Coordination Section at 302.760.2266.
